**ARDEN GROUP, EIGHTFOLD REAL ESTATE CAPITAL AND HOSTMARK
HOSPITALITY GROUP ACQUIRE LAKE EVE RESORT**

PHILADELPHIA – October 8, 2012 - The Arden Group, Inc. announced today that they entered into a joint venture with Eightfold Real Estate Capital and Hostmark Hospitality Group to acquire the Lake Eve Resort in Orlando, Fla. The 364-bedroom resort is spread over nine acres, and is in close proximity to all major theme parks, shopping and great restaurant options. Some of the amenities include full kitchens, a heated pool and hot tub, 24-hour dedicated reception service, a fitness center and complimentary scheduled shuttle service to each of the Walt Disney World, SeaWorld and Universal attractions.

The joint venture is investing a total of \$24 million which includes upgrades to the guest rooms, lobby, exterior lighting and signage, and expanding the pool area with a new children's water park.

The Lake Eve Resort includes one-, two- and three-bedroom suites, for a total of 364 bedrooms. Located only a short distance from Disney World, SeaWorld and Universal Studios, the resort is situated perfectly for family getaways. In addition to its proximity to the parks, the surrounding area offers great nightlife, restaurants, shops and comedy clubs for guests. According to a study conducted by PFK Hospitality Research, the revenue per available room in Orlando during 2011 increased 9.9 percent, which is 1.7 percent higher than the national average.

“It is a great time to invest in an Orlando resort,” said Craig A. Spencer, president and CEO of Arden Group. According to Kiplinger, Orlando will be the fastest-growing job market in Florida, with 15 percent job growth over the next five years. “When you take a strong partnership like we have with Eightfold and Hostmark and apply that expertise to a high quality resort such as Lake Eve, which is located in the country's top tourist destination, it gives us great confidence that this will be a very good investment for our real estate fund.” This investment is consistent with our strategy of sourcing and investing in opportunities for value creation.

"We were very excited to access this opportunity through the real estate debt markets and are pleased to be working with Arden Group and Hostmark Hospitality Group, both leaders in the industry," said Ronald Schrager, a principal of Eightfold Real Estate Capital, L.P.. "Given our strong partnership, the quality of the asset, and potential for growth and market share, we believe this is an outstanding investment for Eightfold.

Jerome F. Cataldo, President of Hostmark Hospitality Group, commented, "The Hostmark team is looking forward to working with Arden Group and Eightfold, contributing increased asset value through effective operation of Lake Eve Resort. Hostmark has extensive experience in the Orlando market, and Lake Eve Resort is an exquisite addition to Hostmark's luxury hotel and resort management portfolio, as well as a strong, competitive presence in the Orlando hospitality market with great upside potential."

The joint venture was represented by Warren Weiser, Chairman of CREC (Continental Real Estate Companies).

"The purchase of Lake Eve Resort by this trio of sophisticated investors is another sign that the Central Florida hospitality market is alive and well," said Warren Weiser, Chairman of CREC. "The resort is well positioned to benefit from the added value that will result from this joint venture's ownership."
