

Arden Group Completes Second Office Building Purchase in Salt Lake City

National real estate investment firm acquires Solutionreach's headquarters building at 2600 Ashton Blvd in Lehi, UT, within Silicon Slopes submarket

Lehi, UT – October 19, 2021 - **Arden Group** (Arden), in partnership with Vesta Realty Partners, LLC (Vesta), today announced it has acquired the Solutionreach building, a 145,646-sq.-ft., five-story Class-AAA office property located at 2600 Ashton Boulevard in Lehi, UT, within the highly coveted Silicon Slopes submarket of Salt Lake City. This also represents the second office property acquisition in Salt Lake City for the partnership in 2021. Earlier this year Arden and Vesta closed on the acquisition of another Class-AAA property, Entrata's headquarters building, located at 4205 North Chapel Ridge Road.

"We are extremely bullish on the office market sector in Salt Lake City and specifically the dynamic Silicon Slopes area," said Craig A. Spencer, Chairman and CEO of Arden Group, commenting on the investment. "This most recent acquisition speaks to our overall business philosophy to acquire Class-AAA assets in strong U.S. office markets with access to a highly educated workforce, a growing technology sector, high quality of life and low cost of living. The acquisition of Solutionreach met all our investment parameters perfectly."

Located at 2600 Ashton Boulevard, the office property serves as the headquarters of Solutionreach, Inc., a prominent private equity backed healthcare technology consulting company. The Class-AAA office building was developed in 2016 as a built-to-suit corporate campus specifically for Solutionreach.

"Utah continues to outperform broader national office markets due to its population and corporate growth, despite COVID-19," commented Jeff Grasso, Managing Partner of Vesta Realty Partners. "The US Census Bureau reported Utah as the fastest growing state over the past decade, driving the region's office market to achieve some of the highest net absorption levels across the country over the last 12 months."

Cushman & Wakefield brokered the transaction on behalf of the sellers the Gardner Company and the Boyer Company.
